## Hakkımızda

Firmamız inşaat ve yaşam alanlarının üretilmesi konusunda edindiği saygı ve tecrübeyi, kapı üretim sektörüne taşımıştır. İlkeli üretim prensiplerini, kurumsal yapılaşma hamlesiyle ileriye taşıyarak melamin, pvc, ahşap ve lamineli kapıları yüksek kalitede üretmektedir.

Özel tekstürlü, düz ve bute yüzeyli çok çeşitli renk seçenekleriyle müşteri zevkine uygun kombinasyonlar sağlamaktadır. Dekoratif, şık görünümlü, neme aşınmaya çizilmeye karşı dayanıklı kapılarla 'mutluluğa açılıyoruz.'

## About Us

Our company has carried the respect and experience gained in the production of construction and living spaces to the door production sector. It produces high quality melamine, PVC, wood and laminated doors by moving its principled production principles forward with the move of institutional structuring.

It provides combinations suitable for customer taste with a wide range of color options with special textures, smooth and butte surfaces. «We open to happiness» with decorative, stylish-looking, moisture, wear and scratch resistant doors.
